

ЭМС ФИЛЬТРЫ

ОБРАЗЦЫ ЭМИ ФИЛЬТРОВ ПОД ВАШ ПРОЕКТ

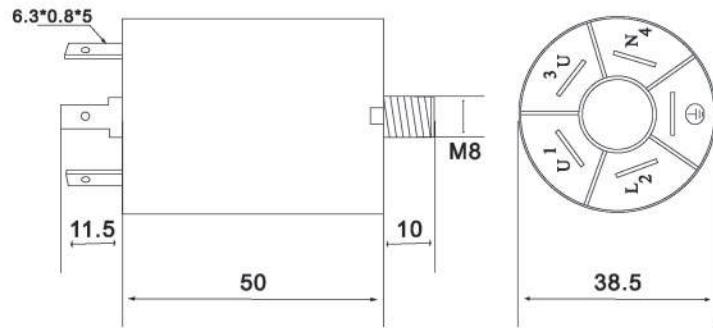

Заказать образцы, запросить документацию и задать все интересующие вопросы, связанные с применением ЭМИ фильтров, Вы можете нашим техническим специалистам и менеджерам:

e-mail: epcos@ferrite.ru

тел.: +7 (812) 740 53 05, +7 (812) 740 53 06

A Series

Features

- Single Phase AC Filters
- General purpose
- Filter with a good suppression to common-mode and differential-mode interference

Applications

- Apply to various of home appliance: washing machine, refrigerator, microwave oven, etc.

Technical Data

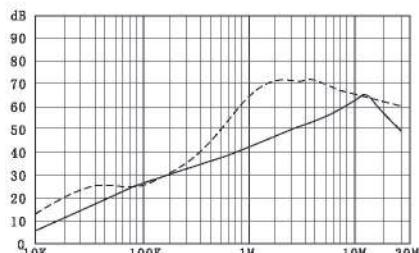

Rated Voltage	115/250VAC
Line Frequency	50/60Hz
Test Voltage	1500VDC (line/line) 1500VAC (line/ground)
Insulation Resistance	> 50MΩ@500VDC
Temperature Rise	< 30°C
Climatic category	25/085/21

List of general products

Part No.	Rated Current	Leakage Current	Dimension	Electrical Schematics
DBA4-10A	10A	<0.5mA	A4	
DBA4-12A	12A	<0.5mA	A4	
DBA4-16A	16A	<0.5mA	A4

B Series Features

■ Single Phase AC Filters

■ The filters of two CM sections plus one DM section can provide good performance in suppressing both CM and DM noises.

■ Low leakage current

Applications

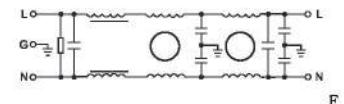

■ Available for Single-Chip computer systems, outstanding performance for frequency-transform interference especially.

DP Series Features

- DC Filters
 - PCB mounting
 - Compact, light weight, reliable

Applications

- Mode power & compact electronic instruments

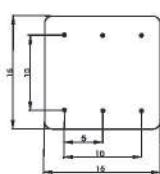

Technical Data

Rated Voltage	50/100VDC
Test Voltage	350VDC (line/line) 1414VDC (line/ground)
Insulation Resistance	>60MΩ@60VDC
Temperature Rise	<30°C
Climatic category	25/085/21

LY Series

Features

■ Lightingproof Filters

■ Specially designs for the suppression surge disturbance, Can effectively suppress each kind of surge impact

Applications

■ Specially designs for the suppression surge disturbance, Can effectively suppress each kind of surge impact.

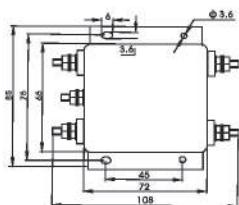

Technical Data

Conditions	单相	直流	三相
Rated Voltage (8/20 μ s,10times)	250VAC 5~40KA	80VDC	440VAC
Insulation Resistance	> 50M Ω @500VDC		
Temperature Rise	< 30°C		
Climatic category		25/085/21	

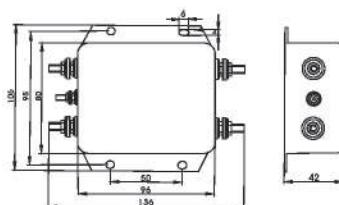

List of general products

Part No.	Rated Current	Leakage Current	Dimension	Terminal		Remarks
				Input	Output	
DL1-6~10A	6~10A	<1.0mA	L1			
DL2-10~30A	10~30A	<1.0mA	L2			
DL3-30~50A	30~50A	<1.0mA	L3			Special resistances available

MC Series Features

- EFT Supresser Filters
- The EFT suppresser product is the principle which

The basis absorbs and reflects complements one another, used the advanced design method and unifies the many years is engaged in the electromagnetism compatible practice experience, specially aimed at the suppression fast transient group pulse disturbance designs, to suppressed the fast transient group pulse disturbance effect is extremely remarkable.

Applications

- Kind of domestic electric appliances, the electric meter, peacefully guards against the panalarm, the electrical test measuring appliance, the accelerator and so on civil or the military commercial run survey and the control device.

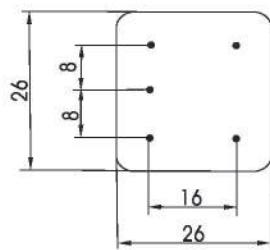

Technical Data

Rated Voltage	250VAC	80VDC	440VAC
Test Voltage	1500VDC	400VDC	1500VDC
	1500VAC	700VDC	2250VAC
Insulation Resistance	> 50MΩ@500VDC		
Temperature Rise	< 30°C		
Climatic category	25/085/21		

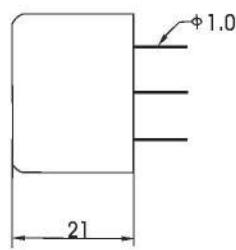

List of general products

Part No.	Rated Current	Voltage Surge Suppressor	Dimension	Terminal		Remarks
				Input	Output	
DM1-1~3A	1~3A	1KV-4KV	M1			Special resistances available

Y Series

Features

■ Ultralow Leakage Current Filters

■ Specially designs for the medical equipment

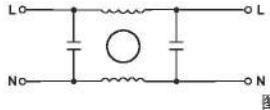

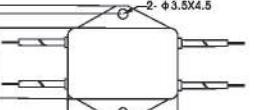

Applications

■ To satisfy the specific requirement of medical instruments or minute leakage current un-permitted

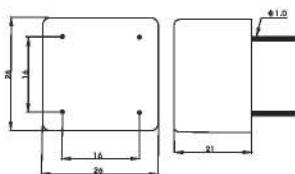

Technical Data

Rated Voltage	110/250VAC
Line Frequency	50/60Hz
Test Voltage	1500VDC (line/line) 1500VAC (line/ground)
Insulation Resistance	> 200MΩ@500VDC
Climatic category	25/085/21

J Series Features

- The CE102 conduction launch request but designs specially for the military equipment through electromagnetic compatibility military symbol GJB 151A/152A in
- Low leakage current

- Outstanding high frequency and low frequency filter characteristic

Applications

- Is suitable in each kind of military electronic installation
